S I R:

Record is made of a telephone interview between applicant's representative and the Examiner as well as the Primary Examiner which took place on January 27, 2006. The Examiners are thanked for the courtesies extended to applicant's representative at that time. During the course of the interview, the "new matter" rejection pursuant to 35 U.S.C. §132(a) was discussed, and applicant's representative pointed to paragraphs [0001] and [0002] of the instant specification to show support for the claimed subject matter.

Docket No.: SCHUNKE-2  
Serial No.: 10/693,829

The Examiner and the Primary Examiner agreed that there is no new matter involved, and the objection pursuant to 35 U.S.C. §132(a) has been withdrawn.

Respectfully submitted,
